

# WANT TO BECOME A SPONSOR for the NCR Sprint for Cancer?

5K, 10K and Fun Run in Atlanta on April 21, 2012 at 8AM

## About Sprint for Cancer

In 2003, NCR employees came together with the goal of creating a charitable event that everyone could rally around. Today, more than 2,200 racers and volunteers across the country take part in the event. This year marks the 10th anniversary of our first Sprint for Cancer race and our goal is to surpass \$1 million in total contributions across our 10 years of giving.

## Sponsorship Donations

NCR Sprint for Cancer would not be a success without the generous contributions from corporate, local business and private donors. We appreciate your willingness to help us play a role in the fight against cancer.

Any donations to NCR Sprint for Cancer at \$50 or more comes with the opportunity to place the business' logo on the Sprint for Cancer website and with the option to insert a sponsor flyer or sample product into our participant's goodie bags.
