

RADIANT SYSTEMS SPRINT FOR CANCER™

Radiant Systems is proud to host the annual Sprint for Cancer Race, a 5k and 10k run/walk event planned in the spring of each year at the Atlantic Station district in Midtown Atlanta. All proceeds of the race benefit the Georgia Cancer Foundation.

The Radiant Systems Sprint for Cancer Race is a community oriented event that raises funds for the Georgia Cancer Foundation. The charity benefits Georgians by providing cancer education and support throughout the continuum of cancer care, including assistance to families during short-term emergencies. The event's mission is to put on a quality race for serious and recreational runners and to encourage broad participation from the Georgia community while raising funds for screening and support programs for the Georgia Cancer Foundation. The run is for all ages and abilities and also includes fun activities for children at no cost. The Radiant Charity Corp. donates all proceeds from sponsorships and runner registration fees above the cost of the event to the Georgia Cancer Foundation.

- Founded in 2003 as a not-for-profit, 501(c)(3) organization
- Radiant Charity Corporation has raised more than \$500,000 for The Georgia Cancer Foundation
- More than 1,300 runners participate each year from across the Southeastern United States
- 5k & 10k Run / Walk Courses
- Family-friendly Event
- All runners receive a technical "dry wick" race shirt
- USATF-certified
- Chip Timed Event
- Atlanta Peachtree Road Race Qualifier

SPRINT FOR CANCER

THE GEORGIA CANCER FOUNDATION

The Georgia Cancer Foundation (GCF) is a non-profit organization dedicated to cancer education, early detection, and support throughout the continuum of cancer care for all Georgia residents.

The Georgia Cancer Foundation is about teaching, learning, detecting, and supporting. It is about helping and hope. It's about living with cancer and learning not only how to survive - but to thrive. The Foundation, a nonprofit organization established in 1975, sponsors a variety of activities that touch the lives of cancer patients and their families. In addition, a major focus of the foundation is to provide education and screening to the underserved in Georgia to reduce the impact of cancer on the community, and to provide world class education for medical professionals in Georgia. Examples of programs include...

- **Cancer Screening Day:** Georgia's largest free mammogram program for woman at risk who lack other resources. Free screening program for colon, breast, prostate and skin cancers.
- **Remembrance Day:** An annual community service event in memory of loved ones lost to cancer.
- **Patient Services Volunteers:** A program extending warmth and compassion to cancer patients receiving chemotherapy treatment at clinics throughout greater Atlanta and Macon.
- **Bosom Buddies Support Groups:** A network of 50 support groups through out Georgia assisting thousands of women, through meetings and a support networks during their battles with cancer.
- **ChemoChic:** A program to help women undergoing chemotherapy to assist with their physical appearance and confidence.
- **Angel Boutique:** A Georgia Cancer Foundation program for women who have undergone a mastectomy or who are receiving chemotherapy treatments. Angel Boutique provides breast prostheses and mastectomy bras—including fittings by a certified breast fitter as well as wigs, turbans, hats and scarves. All items and services are given at no charge, thus easing the financial burdens that are often associated with receiving cancer care. Angel Boutique offers support to women during this trying time in their lives by providing them the tools they need to feel confident in a warm and comfortable atmosphere.
